28th Annual
Holiday Happening 2011

Founded in 1967, Houston Junior Woman's Club is dedicated to serving the needs of children within the Houston area. Throughout the year, the women of HJWC give of their time, talents, volunteer service hours, and financial assistance to Texas Children's Cancer Center at TCH, Houston's Ronald McDonald House and serve as volunteer guides for Family Day at Bayou Bend Collection and Gardens.

Over the last twenty-seven years, Holiday Happening, our annual fundraising event, has helped us raise and donate over \$5,000,000. Last year we donated funds to nine children's charities in addition to our three service projects listed above.

On October 31, 2011, the Houston Junior Woman's Club will proudly present its 28th Holiday Happening at the Omni Houston Hotel. The members of HJWC invite you to join them in providing financial assistance to serve the educational and physical needs of children in the Houston area and "Light Up A Child's Life".

We are hopeful that you will join our Holiday Happening luncheon as an Underwriter, Table Sponsor, Door Prize or item donor. We have included information outlining the various levels of underwriting, table sponsorships and/or advertising opportunities, which are available. We need your help to accomplish our goal to make a significant difference in the lives of children and their families.

Thank you for your consideration in supporting our event. We hope to see you October 31, 2011.
